Peter,  
Dina confirmed that XP is the building standard. That is what we should ask for. Thanks.\

Hi Gary,  
You can use this quote for technical reference but ask Damon to give us our discounts. If we're short a few dollars, I really don't need the 150 position autosampler.

Julie, the quote is for WinXP. If a newer operating system is offered now, which do you want to go with considering IT issues?
